Commission for Biometrics of the Board of Slovak Academy of Agricultural Sciences
Central Institute for Supervising and Testing in Agriculture

Invitation

on the XXI. Summer School of Biometrics

dedicated to 70th birthday of
assoc. prof. RNDr. Jaroslav Michálek, CSc.

BIOMETRICAL METHODS AND MODELS IN CURRENT SCIENCE AND RESEARCH

June 26–30, 2017, Karlov pod Pradědem, Czech Republic

On the one hand, Summer School of Biometrics is a platform for meetings of biometricians and statisticians who present here results of their scientific work.

On the other hand, the staff of universities and science-research, breeding, veterinary and testing institutions are familiarized here with biometrical methods.

Expert guarantees:

Ing. Jiří Hartmann, CSc.
National Plant Variety Office
Hroznová 2, 656 06 Brno

doc. Mgr. David Hampel, Ph.D.
FBE, Mendel University in Brno
Zemědělská 1, 613 00 Brno

Program committee

Ing. Pavel Flák, DrSc. (formerly Výskumný ústav živočíšnej výroby, Nitra)

Ing. Michal Fusek, Ph.D. (VUT Brno)

doc. Mgr. David Hampel, Ph.D. (Mendelova univerzita Brno)

Ing. Jiří Hartmann, CSc. (Ústřední kontrolní a zkušební ústav zemědělský Brno)

doc. Mgr. Ing. Jitka Janová, Ph.D. (Mendelova univerzita Brno)

prof. dr. hab. Stanislaw Mejza (Poznan Univerzity of Life Sciences)

doc. RNDr. Jaroslav Michálek, CSc. (Univerzita obrany Brno) - chair

doc. Mgr. Jiří Neubauer, Ph.D. (Univerzita obrany Brno)

prof. Ing. Milan Palát, CSc. (Mendelova univerzita Brno)

prof. dr. hab. Wieslaw Pilarczyk (Poznan Univerzity of Life Sciences)

prof. Ing. Josef Příbyl, DrSc. (Výzkumný ústav živočíšné výroby Praha-Uhřetěves)

doc. RNDr. Marek Sedláčik, Ph.D. (Univerzita obrany Brno)

doc. Ing. Luboš Střelec, Ph.D. (Mendelova univerzita Brno)

doc. Ing. Luboš Vostrý, Ph.D. (Česká zemědělská univerzita Praha)

doc. RNDr. Viktor Witkovský, CSc. (Ústav merania SAV Bratislava)

doc. RNDr. Ivan Žežula, CSc. (Univerzita P. J. Šafárika Košice)

Organizing committee

doc. Mgr. David Hampel, Ph.D. (PEF MENDELU Brno) - chair

Ing. Jiří Hartmann, CSc. (NOÚ ÚKZÚZ Brno)

Ing. Jitka Pernicová (PEF MENDELU Brno)

Mgr. Martin Tláškal, Ph.D. (NOÚ ÚKZÚZ Brno)

RNDr. Lenka Viskotová, Ph.D. (PEF MENDELU Brno)

Contacts

Ing. Jiří Hartmann, CSc.
(conference program, partners)

- Actual information about the XXI. Summer School of Biometrics (SSB), including the electronic version of registration forms, will be published on the web page www.biometrika.cz.

Main topics of the XXI. Summer School of Biometrics

- Theory and planning of experiments
- Methods and models for evaluating experiments
- Multivariate statistical methods
- Linear and generalized linear models
- Modelling of biological and economical systems
- Censored data, extreme data, missing data
- Education of biometrics
- Statistical computational systems
- Application of statistics methods in economy, industry and other fields

Extra events

- To have a good understanding of lectures and presentations, the **preparatory workshop** will be opened at the beginning of the summer school.
- The 3rd session “Mathematical Modelling of Economics Systems” will take place during the XXI. SSB, where economical applications of biometrical methods will be presented.

Common information

- The XXI. Summer School of Biometrics will be held in the hotel Kamzík, Karlov pod Pradědem, 793 36 Malá Morávka, www.hotelkamzik.cz. Participants of the SSB will be accommodated in this hotel from Monday 26. 6. till Friday 30. 6. It is possible to agree on accommodation from Sunday 25. 6. till Monday 26. 6. individually.
- Full-board is ensured in the hotel from Monday 26. 6. (lunch) till Friday 30. 6. (breakfast).
- Participant fee **4000 Kč (approx. 150 eur)** covers conference and administrative costs (including Proceedings of Abstracts and Social events).
- Please, participant fee should be paid by **31. 5. 2017** by bank transfer (bank account **7200310267/0100**, IBAN: CZ70 0100 0000 0072 0031 0267, SWIFT: KOMBCZPP, KB Brno-Černá Pole, Merhautova 1, 631 32 Brno, Czech Republic). The variable symbol will be send to particular participants immediately after receiving their registration form. It is possible to pay registration fee in cash at SSB registration desk.
- Presentations length will be 20 min. usually (with the exception of invited lectures).
- Proceedings of abstracts with ISBN will be distributed at the SSB. Abstract will be published in English. The maximum range of Abstract is one page of B5 size. It will cover title, authors, text of abstract, key words and references (exemplary Abstract will be published on the SSB web page). Please, send Abstract by 15. 5. 2017 to email address jitka.pernicova@mendelu.cz.
- Official languages of the SSB are English, Czech and Slovak.

Application form

XXI. Summer School of Biometrics, 26.–30. 6. 2017

Titles:

Name:

Surname:

XXI. SSB presentation:

a) author(s) of presentation:

.....

b) title of presentation:

.....

c) length of presentation in min.:

d) name of presenter:

Address:

.....

Tel.: e-mail:

Date and signature of participant:

Please, send this application form by 15. 5. 2017 to Ing. Jitka Pernicová, e-mail:
jitka.pernicova@mendelu.cz
